STAT 5. [] Captain W. A. Stevens, Jr., in the office of the chairman of the Joint Chiefs of Staff telephoned with the view of coordinating the chairman's posture briefing with CIA. I suggested that possibly their initial drafts could be checked with us through the Joint Staff but I would look into the matter.

Stevens also inquired if there was any objection if he sat as an observer when the Director appeared before the Mahon Subcommittee. He stated he had received an approval from Sam Crosby so long as the Agency interposed no objection. I assured him we had no objection.

STAT 6. [] The Director, accompanied by Robert Amory, Jr., and John S. Warner appeared before the Senate Foreign Relations Committee in executive session.
